## Invitation to The 13th China Information Technology Expo

Dear **Mr. Minh Truong** – **Managing Director of FIBIC**,

On behalf of the Organizing Committee of The 13th China Information Technology Expo (CITE), we extend our most sincere greetings and a formal invitation to you and your esteemed company.

The expo is scheduled to take place from April 9<sup>th</sup> to 11<sup>th</sup>, 2025, at the Shenzhen Futian Convention and Exhibition Center. Since its inception in 2013, CITE has been the premier platform for showcasing cutting-edge products and technologies in the global electronic information industry. Jointly hosted by the **Ministry of Industry and Information Technology** and the **People's Government of Shenzhen Municipality**, the expo has evolved into the most comprehensive and influential electronic information event in Asia.

This year, under the theme "**Technology Leading, Innovation Gathering in Shenzhen**," CITE 2025 will feature nine major exhibition halls and more than 30 thematic areas, encompassing fields such as:

- Intelligent Terminals, Smart Homes, and Wearable Devices
- AI Large Models, Data Infrastructure, and Cloud Solutions
- E-Sports, AR/VR, and Intelligent Robots
- New Energy Electronics, Integrated Circuits, and Special Electronic Components

At the same time, more than 50 peak forums and other industry activities will be held to deeply explore and analyze the hot topics of the electronic information industry, and talk about the future development of the electronic information industry.

While this invitation is addressed to you and **FIBIC** as one of our exclusive partners in this special event, we are pleased to invite your company to take a leading role in organizing a delegation from Vietnam to attend the expo. This presents an opportunity to bring together colleagues, partners, and members of FIBIC who may benefit from this event. The expo is a unique platform to explore groundbreaking innovations, foster business relationship, and gain insights into the electronic information landscape.
